

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than sixty years combined experience with effectively manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are committed to offering new design concepts and top quality to be able to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually provides fresh design concepts. They enjoy offering products which energize both their partners and their dealers and offer production gains to their clients.

The TREK team of workers likes new challenges and new tasks. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and requirements combined with their understanding of cleaning applications, along with owners' strong desire to significantly lower cost through productivity gains.

When needed, the workers within TREK and its several dealer members in both technical support and parts would be accessible. One of their core values is their high service dedication in their customer service. Keeping their customers' cleaning machines running and ready daily is top priority. The company's top of the line technology delivers reliable machine that ultimately lowers your cost of cleaning. The product, the price and the service all work as one to make them an industry leader.
